

# Parents of Performing Students - POPS

Wellesley POPS provides volunteers and funding for Wellesley Performing Arts programs - band, chorus, dance, drama, and orchestra - at all school levels from K-12. We serve as advocates for PA staff and programs during the budget process and throughout the entire school year. We invite you to get involved with the volunteer work we do for the students, staff and families of the Performing Arts Department!

We are working hard to increase our presence in *all schools*-please contact Darlene Howland, POPS President, at [wellesleypops@gmail.org](mailto:wellesleypops@gmail.org) if you would like more information about ways that you can support your student's teacher and program.

As a non-profit organization POPS is working hard to financially support the efforts of the WPS Performing Arts staff. Last year POPS awarded \$20,186 in Grant funds for new instruments, orchestra microphones and teacher stipends. Additionally, several need based scholarships for students were given. Our wonderful PA program is attracting and enriching more students each year! With this growth the financial needs identified by the staff continue to increase. POPS needs the financial support of Wellesley parents to continue our good efforts!
