

## Welcome Back from your PTSTO Co-Presidents

We hope everyone had a great summer and is as excited as we are for the 2019-2020 school year. We are looking forward to meeting and working with new and returning WHS families. Here at the high school, the purpose of the PTSTO is to support and enhance the educational experience of all our students. We do this by providing programs and assistance to students, teachers, staff and parents. We need your help in a variety of ways - both big and small. Please contribute your time, talents and funds as you're able.

### Donate

Please contribute to our *Advance the Excellence* campaign! Instead of doing individual fundraisers, we rely on the **ONE TIME** contributions of WHS families to help us fund budget items such as student projects, district initiatives, faculty requests and professional development. Please see details enclosed in this packet for the only monetary appeal of the year. You can also donate online at [www.whsptso.org](http://www.whsptso.org).

### Volunteer

There are many different opportunities to help throughout the year. From helping in the library to supplying food for teacher lunches to weeding flower beds, there's a spot that will fit your available time and interests. Please fill out our enclosed WHS Parent Volunteer Opportunity form for 2019-2020 and return it to the WHS Main Office or go online to [www.whsptso.org](http://www.whsptso.org).

### Stay Connected

Stay updated with important information and events and sign up for our weekly email blast through our website [www.whsptso.org](http://www.whsptso.org). Our PTSTO speaker series and Principal and Guidance Coffees provide monthly parent education opportunities.
